REPORTING ERRORS AND RECOMMENDING IMPROVEMENTS

You can help improve this manual. If you find any mistakes, or if you know of a way to improve the procedures, please let us know. We'd prefer that you submit your recommended changes electronically, either by e-mail (AMSEL-LC-LEO-PUBS-CHG@mail1.monmouth.army.mil) or online (<http://edm.monmouth.army.mil/pubs/2028.html>). Alternatively, you may mail or fax your letter, DA Form 2028 (Recommended Changes to Publications and Blank Forms) or DA Form 2028-2 located in back of this manual to: Commander, US Army Communications-Electronics Command and Fort Monmouth, ATTN: AMSEL-LC-LEO-E-ED, Fort Monmouth, NJ 07703-5006. The fax number is 732-532-3421, DSN 992-3421.

In any case, we will send you a reply.

*This manual supersedes TM 11-5820-890-10-HR, dated 1 September 1992.

Section I. INTRODUCTION

1. SCOPE

This publication provides overprinted DA Forms 2062 (Hand Receipt) which list the contents of Components of End Items (COEI) and Additional Authorization List (AAL) items for Radio Sets AN/PRC-119A/D/F, AN/VRC-87A/C/D/F, AN/VRC-88A/D/F, AN/VRC-89A/D/F, AN/VRC-90A/D/F, AN/VRC-91A/D/F and AN/VRC-92A/D/F.

2. GENERAL

- a. Sections II through XXIV are the overprinted DA Forms 2062 listing contents of COEI's and AAL's, extracted from TM 11-5820-890-10-8. Within each COEI and AAL the components are listed in alphabetical order.
- b. The overprinted DA Form 2062 will eliminate manual preparation of the form and will assist organizations in the inventorying and accounting for property as required by AR 710-2.
- c. Local reproduction of the overprinted DA Form 2062 is authorized. However, organizations will comply with local policies in the reproduction of DA Form 2062 by office copying equipment, field printing plant or duplicating facilities.
- d. Additional copies of this publication may be requisitioned from the US Army Publications Distribution Center, 2800 Eastern Boulevard, Baltimore, MD 21220-2896 in accordance with the procedures in Chapter 12, AR 25-30.

3. EXPLANATION OF BLOCKS AND COLUMNS (DA FORM 2062)

Refer to DA Pam 710-2-1, Chapter 6, for additional information required to complete DA Form 2062.

- a. **FROM.** Enter the organization which issues the property.
- b. **TO.** Enter the Unit Identifier Code (UIC) and the hand receipt file number of the unit/personnel receiving the property.
- c. **HAND RECEIPT NUMBER.** Enter a locally designated number. Use it to post the location of property in the property book.
- d. **END ITEM STOCK NUMBER.** Contains the National Stock Number (NSN) of the end item covered by the hand receipt.
- e. **END ITEM DESCRIPTION.** Contains the end item short title.
- f. **PUBLICATION NUMBER.** Contains the TM number of the technical manual containing the operator/crew instructions for the equipment.
- g. **PUBLICATION DATE.** Date of publication of the operator/crew technical manual.
- h. **QUANTITY.** Quantity of the end item covered by the hand receipt.
- i. **STOCK NUMBER (Column a).** National stock number of the item described. Items without stock numbers should be requisitioned by Commercial and Government Entity Code (CAGEC) and part number with exception data in accordance with AR 710-2.
- j. **ITEM DESCRIPTION (Column b).** Identifies the item contained in the COEI and AAL. It also contains nomenclature and serial/USA number (if applicable) that are used in identifying and controlling the item. Serial number is to be inserted and initialed on all copies by the hand receipt holder.
- k. * (Column c). The Accounting Requirements Code (ARC) is entered here. One of the following codes will apply:

NOTE

The accounting requirements code (ARC) refers to property accountability, not to disposal authority. Disposition action and authority for an unserviceable item is governed by the recoverability code (5th position of the SMR code) as indicated in the applicable repair parts and special tools list (RPSTL). The ARC's and recoverability codes are listed in the Army Master Data File (AMDF).

- N – Nonexpendable: Items not consumed in use, retaining their identity during use and requiring that accountability be maintained throughout the life of the item.
- D – Durable: Nonconsumable components of sets, kits, outfits and assemblies; all tools in FSC’s 5110, 5120, 5130, 5133, 5136, 5140, 5180, 5210, 5220 and 5280, and any other nonconsumable with a price exceeding \$50.00 not already “N”.
- X – Expendable: Items, regardless of type classification or price, which are consumed in use. This includes all class 9 repair parts and all items not consumed in use which cost \$50.00 or less and not already “N” or “D”.

I. **SEC** (Column d). Contains the Controlled Inventory Item Code (CIIC), formerly identified as SEC code. This is a one-character code that indicates the security classification or pilferage control for storage or transportation of assets. Codes applicable to this hand receipt are as follows:

<u>CIIC</u>	<u>DESCRIPTION</u>
U	Unclassified
7	Item displays sensitive information. Prior to disposal all name plates, label plates, meter faceplates, tags, stickers, documents or markings which relate item to weapon system/end item application must be removed and destroyed.
9	Item is a Controlled Cryptographic Item (CCI). CCI is described as secure telecommunications equipment, secure information-handling equipment, associated cryptographic component, or other hardware item which performs a critical COMSEC function. Items so designated are unclassified but controlled and will bear the designation “Controlled Cryptographic Item” or “CCI”.

m. **UI** (Column e). Unit of issue. Refer to AR 708-1 and/or CDA Pam 18-1 (Catalog Data Activity) for explanation of abbreviations in this column.

n. **QTY AUTH** (Column f). The quantity authorized to be on hand or to be part of the end item.

o. **QUANTITY** (Column g). Actual quantity on hand. Subcolumns A through F are to be filled in by the receiving unit/personnel in accordance with DA PAM 710-2-1, Chapter 6.

p. **PAGE __ OF __ PAGES**. Contains page number and total number of pages for the hand receipt.

4. AUTHORIZATION DOCUMENTS

a. Components of End Item (COEI) are authorized by the applicable Repair Parts and Special Tools List (RPSTL).

b. No Basic Issue Items (BII) are authorized for the SINCGARS radio sets covered by TM 11-5820-890-10-HR.

c. Additional Authorization List (AAL) items are authorized by the appropriate MTOE, TDA, CTA or JTA authorization documents.

---	-------------------------------	--

BE EXACT PIN-POINT WHERE IT IS				IN THIS SPACE TELL WHAT IS WRONG AND WHAT SHOULD BE DONE ABOUT IT:
PAGE NO	PARA GRAPH	FIGURE NO	TABLE NO	
2-25	2-28			<p>Recommend that the installation antenna alignment procedure be changed throughout to specify a 20 IFF antenna lag rather than 10.</p> <p>REASON: Experience has shown that with only a 10 lag, the antenna servo system is too sensitive to wind gusting in excess of 25 knots, and has a tendency to rapidly accelerate and decelerate as it hunts, causing strain to the drive train. Hunting is minimized by adjusting the lag to 20 without degradation of operation.</p>
3-10	3-3		3-1	<p>Item 5, Functional column. Change • 2 dB" to • 3 dB".</p> <p>REASON: The adjustment procedure for the TRANS POWER FAULT indicator calls for a 3 dB (500 watts) adjustment to light the TRANS POWER FAULT indicator.</p>
5-6	5-8			<p>Add new step f.1 to read, • Replace cover plate removed in step f.1, above."</p> <p>REASON: To replace the cover plate.</p>
		FO-3		<p>Zone C 3. On J1-2, change • +24 VDC" to • +5 VDC".</p> <p>REASON: This is the output line of the 5 VDC power supply. +24 VDC is the input voltage.</p>

This fine document...

Was brought to you by me:

[Liberated Manuals -- free army and government manuals](#)

Why do I do it? I am tired of sleazy CD-ROM sellers, who take publicly available information, slap “watermarks” and other junk on it, and sell it. Those masters of search engine manipulation make sure that their sites that sell free information, come up first in search engines. They did not create it... They did not even scan it... Why should they get your money? Why are not letting you give those free manuals to your friends?

I am setting this document FREE. This document was made by the US Government and is NOT protected by Copyright. Feel free to share, republish, sell and so on.

I am not asking you for donations, fees or handouts. If you can, please provide a link to liberatedmanuals.com, so that free manuals come up first in search engines:

<A HREF=<http://www.liberatedmanuals.com/>>Free Military and Government Manuals
