SECTION I INTRODUCTION

1. Scope

This hand receipt manual provides a listing on a preprinted DA Form 2062 (Hand Receipt) of accountable BII and AAL items related to the 90-mm recoilless rifle, M67.

2. General

Section II of this manual is an overprinted DA Form 2062 consisting of a listing of Basic Issue Items (BII) and Additional Authorization List (AAL) items extracted from TM 9-1015-223-12. The listings consist of exactly the same items and are in the same sequence as the BII and AAL listings in the operator's manual. <u>Liberated Manuals -- free army and government manuals</u>

Why do I do it? I am tired of sleazy CD-ROM sellers, who take publicly available information, slap "watermarks" and other junk on it, and sell it. Those masters of search engine manipulation make sure that their sites that sell free information, come up first in search engines. They did not create it... They did not even scan it... Why should they get your money? Why are not letting you give those free manuals to your friends?

I am setting this document FREE. This document was made by the US Government and is NOT protected by Copyright. Feel free to share, republish, sell and so on.

I am not asking you for donations, fees or handouts. If you can, please provide a link to liberatedmanuals.com, so that free manuals come up first in search engines:
