HAND RECEIPT COVERING CONTENTS OF COMPONENTS OF END ITEM (COII), BASIC ISSUE ITEMS (BII), AND ADDITIONAL AUTHORIZATION LIST (AAL)

Section I INTRODUCTION

1.1 **SCOPE.** This publication provides an overprinted DA Form 2062 (Hand Receipt) which lists the contents of Components of End Item (COEI), Basic Issue Items (BII), and Additional Authorization List (AAL) related to the Dispenser, Mine: M139.

1.2 **GENERAL.**

1.2.1 Section II is the overprinted DA Form 2062 which lists the line item entry for the Dispenser, Mine M139 and the content of COEI, BII, and AAL extracted from TM 9-1095-208-10-1. The listings consist of exactly the same items and are in the same sequence as those listings in TM 9-1095-208-10-1-HR.

1.2.2 The overprinted DA Form 2062 will eliminate manual preparation of the form and will assist organizations in inventorying and accounting for property as required by AR 710-12.

1.2.3 Local reproduction of the overprinted DA Form 2062 is authorized; however, organizations shall comply with local policies in the reproduction of DA Form 2062 by office copying equipment, field printing plant, or duplicating plant facilities.

1.2.4 Additional copies of this publication may be requested from:

Why do I do it? I am tired of sleazy CD-ROM sellers, who take publicly available information, slap “watermarks” and other junk on it, and sell it. Those masters of search engine manipulation make sure that their sites that sell free information, come up first in search engines. They did not create it... They did not even scan it... Why should they get your money? Why are not letting you give those free manuals to your friends?

I am setting this document FREE. This document was made by the US Government and is NOT protected by Copyright. Feel free to share, republish, sell and so on.

I am not asking you for donations, fees or handouts. If you can, please provide a link to liberatedmanuals.com, so that free manuals come up first in search engines:
